## A Recall has been issued for your Santa Fe's Seat Belt Anchor Bolt.

This notice applies to your vehicle, VIN ending in: 006367

**What is the problem?**

The driver's seat belt anchor bolt may not have been properly torqued during vehicle assembly. This condition would enable the seatbelt to detach from the anchor point in a collision, **increasing risk of injury.**

**What will Hyundai do?**

Your Hyundai dealer will inspect and verify proper connection between the driver's seat belt anchor and the vehicle's inner sill structure. This procedure will be performed at **NO CHARGE** to you. **For your safety, schedule an appointment as soon as possible.**
