NHTSA RECALL 17V370

IMPORTANT SAFETY RECALL

THIS NOTICE APPLIES TO YOUR VEHICLE, VIN: AB1C23DE4F5678901

Dear Volvo Owner:

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

Our records indicate that this important recall has not been completed on your vehicle. Please schedule an appointment at your local authorized Volvo retailer as soon as possible to have this important recall performed at no charge.

Volvo Car USA LLC (Volvo) on behalf of Volvo Car Group, has decided that a defect which relates to motor vehicle safety exists in certain model year 2017 XC90 vehicles.

The reason for Recall R89716:

The Micro Gas Generator (MGG), a subcomponent part used within the right hand side seat belt retractor for the third row seats, may detach after the seatbelt retractor pretensioner is deployed. Although, the seat belt will operate as intended in the event of a crash, if the MGG detaches, it may be a projectile within the vehicle cabin, increasing the risk of injury.

The corrective action is to replace the 3rd row passenger's side seatbelt retractor **performed at no cost.**

What you need to do:

Please contact your authorized Volvo retailer for an appointment. The repair procedure will be **performed at no cost** and can take up to 1.0 hour to complete. **However, the time your Volvo retailer requires to service your vehicle may be slightly longer depending on the vehicle.**

If you had previously paid for this repair to be performed, prior to receiving this letter, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall. For more information, please refer to the Volvo Customer Care Center contact information in this letter.

If you no longer own the vehicle described in this letter, please help us to update our records by sending us the updated owner information. Please refer to our contact information below.
