This Notice applies to your vehicle VIN listed above.

Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the *Motor Vehicle Safety Act*. This notice is also sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*. Forest River – Office of Corporate Compliance (“OCC”) has decided that a defect, which relates to the motor vehicle safety, exists in certain 2015 through 2018 Vibe and Rainier travel trailer recreational vehicles. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

### **WHAT IS THE DEFECT/NONCOMPLIANCE?**

The liquid propane (LP) lines in the affected vehicles were installed directly above the axle shackle and did not leave sufficient clearance between the axle shackle and the LP assembly. The axle shackle can come into contact with and damage the LP assembly or the LP lines.

### **EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.**

If an LP line is damaged, this could cause an LP leak, increasing the chance of injury or property damage.

### **WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?**

The remedy for this recall is available upon receipt of this notification. Forest River is notifying dealerships of the recall. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

### **WHAT SHOULD YOU DO?**

Please contact your dealer immediately and request a service appointment to schedule the free remedy. The vehicle Owner is responsible for arranging to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit [www.forestriverinc.com](http://www.forestriverinc.com) for dealer locations.

### **HOW LONG WILL THE REMEDY PROCESS TAKE?**

The estimated time of repair will depend on your model of vehicle. The dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.

### **WHAT IF YOU HAVE PREVIOUSLY PAID FOR REPAIRS TO YOUR VEHICLE FOR THIS PARTICULAR CONDITION?**

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized. Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.

Please send the service invoice to the following address:
