**IMPORTANT SAFETY RECALL - SECOND NOTICE**  
**This Notice Applies to Your Recreational Vehicle 0G13B8053**

Dear Valued Customer:

*Our records show that Recall 17V-695 remains open on this recreational vehicle. Please contact an authorized Dealer as soon as possible to set an appointment. If the Remedy was performed, please complete and return the Reply Form on the back of this letter to update our records.*

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that certain Model Year 2016-2018 Aspire, Anthem, Cornerstone and Insignia Class A Motorhomes fail to conform to the requirements of FMVSS 108, "Lighting System and Retroreflective Devices"

***Reason for this recall***

The required reflectors and/or lights with reflectivity were not installed during manufacturing. Without the required reflectors and/or lights with reflectivity, the motor home visibility to other drivers may be compromised, which can increase the risk of a crash..

***Recall Remedy***

You may choose to have the lights removed OR the reflectors placed on your motorhome, since both of the remedies meet the reflectivity requirements under FMVSS 108. Please communicate which option you prefer when making an appointment to ensure the correct parts kit is available.

***What we need you to do***

Please contact an authorized Dealer as soon as possible to schedule an appointment. The Recall Remedy is free of charge and will take approximately 30 minutes to complete.

If you had this repair completed prior to receipt of this recall notice, you may be eligible to receive reimbursement for the cost of obtaining a pre-notification remedy of the problem associated with this recall.

If you take your recreational vehicle to your dealer on the agreed service date and the dealer does not remedy this condition on that date or within three (3) days, please contact our Customer Service Department at 800-517-9137.
