# Call today to schedule your **FREE** recall repair: 469-439-5251

Ford issued a **DO NOT DRIVE** advisory for your vehicle. The airbag in your vehicle is defective and poses a serious risk. As your vehicle ages, the likelihood of the airbag exploding during a crash increases. If this occurs, sharp metal fragments can strike the driver and passengers, causing severe injury or even death.

To assist with repairs, **Ford representatives from MarketSource, Inc will be visiting homes in your neighborhood** the week of February 16th, 2026, to repair vehicles on the spot at no cost to you. They will be wearing badges and Airbag Recall shirts. If you are not home at the time of their visit, they will leave a doorhanger with direct contact information.

You can call 469-439-5251 to schedule an appointment for an airbag mobile repair at your location with MarketSource, Inc.

You can also contact your local Ford or Lincoln dealer to schedule an appointment. Special Service options may be available upon request through participating dealers:

- Free towing to the dealership for repair.
- Mobile service for repairs at your location.
- Free interim loaner vehicles while your vehicle is being repaired.
