Dear Forest River Customer:

This notice is sent to you in accordance with the requirements of the *Motor Vehicle Safety Act*. This notice is also sent to you in accordance with the requirements of the *National Traffic and Motor Vehicle Safety Act*. Forest River – Office of Corporate Compliance (“OCC”) has decided that a defect, which relates to the motor vehicle safety, exists in certain 2018 Prime Time Crusader fifth wheel recreational vehicles. This is to inform you that your vehicle may contain a defect that could affect the safety of a person.

WHAT IS THE DEFECT/NONCOMPLIANCE?

The furnace is missing the bracket that holds furnace to structure the unit. Without the bracket, the furnace could move, resulting in the fresh air intake and furnace exhaust tubes to be misaligned with the furnace.

EVALUATION OF THE RISK TO THE VEHICLE AND OPERATOR(S) RELATED TO THE RECALL.

If the furnace exhaust tubes and fresh air intake are not aligned during furnace start-up it is possible for the furnace to emit a short burst of flames into the vehicle, increasing the risk of fire under certain circumstances. Separately, during normal furnace operation carbon monoxide could also enter the vehicle, increasing the risk of injury or death to the occupants.

WHAT IS FOREST RIVER AND OUR DEALERSHIPS GOING TO DO?

Forest River will install a bracket to secure the furnace. Forest River is notifying dealerships of the recall. You may have the recall corrected at any Forest River dealership. However, it is preferable if you have your selling dealership perform the remedy. Forest River completely covers your cost for the remedy; you will not receive any bill of sale for anything covered under the above recall number.

WHAT SHOULD YOU DO?

Please contact your dealer immediately and request a service appointment to schedule the free remedy. The vehicle Owner is responsible for arranging to have the work completed. Please state you have been notified by Forest River of having a recall in process for your vehicle and provide the recall number for the dealership. It is also helpful to the dealership to have a copy of this letter when you take your vehicle in for the recall remedy.

You may also visit www.forestriverinc.com for dealer locations.

HOW LONG WILL THE REMEDY PROCESS TAKE?

The estimated time of repair may take up to 2.00 hours. However, the dealership may need to keep your vehicle or schedule an appointment with you for a later date to fit into their regular service schedule.

WHAT IF YOU HAVE PREVIOUSLY PAID FOR REPAIRS TO YOUR VEHICLE FOR THIS PARTICULAR CONDITION?

If you have already paid for a repair that is within the scope of this defect under recall, you still need to have this recall inspected and/or performed to ensure the correct parts and procedures were utilized. Additionally, you may be eligible for a refund of previously paid repairs. Refunds will only be provided for within the scope of this defect under recall.
