This notice applies to your vehicle, \_\_\_\_\_.

Date: June 2017

Dear FIRSTNAME LASTNAME,

This notice is sent to you in accordance with the requirements of the National Traffic and Motor Vehicle Safety Act.

**Reason for interim notice:** Mitsubishi Motors North America, Inc. (MMNA) has decided that a defect which relates to motor vehicle safety exists in certain 2016 Outlander and Outlander Sport vehicles. Due to inappropriate manufacturing processes involving certain components used inside the door latch, certain dimensions of these components may be out of specification. As a result, the door latch mechanism may not securely latch in high-temperature conditions. If this occurs and the door mechanism does not securely latch, the door could inadvertently open while the vehicle is in motion, creating a risk of injury.

MMNA intends to repair your vehicle free of charge (parts and labor). However, the parts that may be required to provide a permanent remedy for this condition are currently not available.

**MMNA is making every effort to obtain these parts as quickly as possible, and will contact you again by mail with a follow-up recall notice when the remedy parts are available.**

**What you should do:**

Once you receive your follow-up notice in the mail advising that parts are available, simply contact your local Authorized Mitsubishi Motors dealer and schedule an appointment to have the repair performed. In the interim, if your vehicle's door(s) is not latching securely, you may schedule an appointment with your local Authorized Mitsubishi Motors dealer to have it inspected.
