**Recall Description:** The aluminum trim on the front and rear door speaker covers can come loose. Loosened trim may bend away from the speaker cover and could expose sharp edges. Injury (such as a cut or puncture) could occur if someone came into contact with one of these sharp edges.

Your Audi dealer will replace the trim on the affected door speakers free of charge beginning sometime in late February 2018. We will send you another letter when replacement parts are available.

In the interim, if you have any concerns about the aluminum door speaker trim coming loose or if it has come loose, please make an appointment with your authorized Audi dealer. For your safety, do **NOT** attempt trim removal on your own.

If you should have any questions about this communication, please contact Audi Customer Experience at 1-800-253-2834 or via our “Contact Us” page at [www.audiusa.com](http://www.audiusa.com).
