Dear Mr. Neff:

Today FCA US is submitting via secure file transfer protocol a video created to demonstrate to FCA US LLC ("FCA US") dealer technicians' highlights for the 17V-572 (T59) recall service procedure. This file was made available to FCA US dealer technicians on November 10, 2017. The flv video file (3313562 2011-2014 Booster Recall.flv) contained in this file transfer is too large for upload to the NHTSA Portal site.

Sincerely,

Tom McCarthy
