**Re: Recall NHTSA 17V653 - Low Beam Headlight Setting May Deviate/FMVSS 108
Loaded to Portal October 30, 2017**

On October 16, 2017, Mercedes-Benz USA, LLC (“MBUSA”) submitted a Defect and Non-Compliance Information Report, in accordance with 49 C.F.R Part 573.6, affecting eight (8) Model Year 2017 Mercedes-Benz GLA250 vehicles, accepted under NHTSA Recall No. 17V653. All affected vehicles subject to the recall were identified to be within MBUSA’s possession and will be repaired prior to entering the stream of commerce.

As such, MBUSA will not mail any owner notification letters for the subject recall.
