DCSnet Message
Important

Subject: ISTA 4.09.13 Software Release Information Required for i3 Recall 17V-720

Subject: ISTA 4.09.13 with Programming data 4.09.20 required for RECALL CAMPAIGN 17V-720: I3 FRONTAL IMPACT PERFORMANCE

Information: ISTA 4.09.13 was released to all Dealers on Wednesday December 13.

Please install this software as soon as possible so that you can complete the Recall Campaign 17V-720 for i3

Refer to the SI B65 23 17 which is attached to this message

Note: On vehicles where Entry Nav fails to code or there are faults that do not clear after programming, refer to the workaround attachment to the SI B65 23 17 and also this message.

Refer to the release notes attached to this message for information about ISTA 4.09.13.

Best Regards,

Paul Labrie
