Subject: FW: FCA - *REVISED/Revision 4* - Safety Recall T79 / NHTSA 17V-821 - Brake Transmission Shift Interlock;

Good afternoon,

As requested I am letting you know this was emailed earlier today, please post to the NHSTA portal.

Thanks, take care

To all this may concern or apply,

You are receiving this email as a previously requested courtesy from the MOPAR Fleet Service & Parts Group.

If you feel you have received this email in error or no longer wish to receive these courtesy recall notifications please reply to the sender.

Attached to this email is the **REVISED** dealer and owner letter file for **Safety Recall T79 / NHTSA 17V-821- Brake Transmission Shift Interlock;**

**Models: 2017 (DS) RAM 1500 Pickup
2017 (DJ) RAM 2500 Pickup
2017 (D2) RAM 3500 Pickup
2017 (DD) RAM 3500 Chassis Cab
2017 (DF) RAM 3500 10K GVWR Chassis Cab
2017 (DP) RAM 4500/5500 Chassis Cab**

***Important Notes:**

- **Beginning with the release of Rev.4 the 2015-2016 model years can now be repaired.**
- **Revision (Rev4) includes:**
 - 1) Page 1 "Models" changed to "Remedy Available" and "Remedy NOT Available" sections.
 - 2) Added 2015 and 2016 model year vehicles to "Remedy Available" section.
 - 3) Page 19 "T79 Addendum Card" changed to "BTSI Addendum Card".
- **At this time only 2015 thru 2017 model year vehicles may have T79 completed at this time. 2009-2016 model years will be made available for completion at a later time and will be communicated to dealers once available for completion.**
- This recall applies only to the above vehicles equipped with a column shift automatic transmission. This safety recall does not affect vehicles equipped with a rotary or floor shifter or manual transmission.
- The primary remedy for this recall is a software flash update to the (BCM) Body Control Module.

- Replacement of the BTSI is only necessary if the inspection test procedure fails it.
- The dealer notification was released to DealerCONNECT on April 13th, 2018.
- The owner letters are scheduled to be mailed out beginning April 16th, 2018.

To find out if you have any effected vehicles please follow the directions below:

***VERY IMPORTANT NOTE:**

The VIN#s of the affected vehicles may not yet be loaded into the FCA recall inquiry system at the time of this notice was received.

It is highly recommended that you do not perform any vehicle/VIN# related inquiries in regards to this or any FCA recall until or after **the dealer notification release date.**

***The process to check the recall status of your FCA vehicles is available through the FCA Fleet Operations website:**

- 1) Go to the FCA Fleet website; www.fcausfleet.com
- 2) On the upper right side of the home screen click on "Shopping Tools"
- 3) A drop down box will appear, Click on "RECALL VIN LOOKUP"
- 4) Click on "GO TO FCA FLEET RECAL INQUIRY TOOL" ***Note: At this point you will need to log on with your previously assigned SID and password.**
- 5) Once logged in it will open a new page; "Recall - Rapid Response Inquiry", click on "1. Search by Vehicle List" and upload your formatted in text (.txt) VIN list file.
- 6) ***NOTE:** If you are unfamiliar with or would like more information on this process please toggle back to FCA Fleet Website Recall Information page and click on "**Learn More about the FCA Fleet Recall Process**".

If you have any questions, please feel free to email or give me a call.

Thanks in advance.
