Mr. Ken Schwertner
SynTec Seating Solutions, LLC
200 Swathmore Ave.
High Point, NC 27263

NEF-150MR
18E-015

Subject: Seat Mounting Bracket Fracture/FMVSS 222

Dear Mr. Schwertner:

This letter serves to acknowledge SynTec Seating Solutions, LLC's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

SYNTEC/S3B WALL MOUNTED SEATS/9999

Mfr's Report Date: March 9, 2018

NHTSA Campaign Number: 18E-015

Components:

SEATS

Potential Number of Units Affected: 6,610

Problem Description:

Syntec Seating Solutions, LLC (Syntec) is recalling certain S3B Non-Restraint Wall Mounted Seats. The wall mounting bracket may crack, causing the seat to not remain secured in place in the event of a crash. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 222, "School Bus Passenger Seating and Crash Protection."

Consequence:

In the event of a crash, if the seat does not remain secured to the wall, the occupant has an increased risk of an injury.

Remedy:

Syntec will notify owners, and dealers will install an additional wall mounting bracket, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Syntec customer service at 1-336-862-7509. Syntec's number for this recall is NRB100.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please provide a list of the purchasers of the affected seats.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

You are required to provide an estimated date including month, day, and year, when you will send notifications to owners, dealers, and distributors as soon as it becomes available. Please be reminded that it is required that owners be notified of a safety defect in their vehicles within 60 days of a manufacturer's notification to NHTSA of a safety defect in those vehicles.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
