Subject: Tires with Incorrect Load Rating Installed

Dear Mr. Carolus:

This letter serves to acknowledge Keystone RV Company's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
CROSSROADS/SUNSET/2018

Mfr's Report Date: February 7, 2018

NHTSA Campaign Number: 18V-095

Components:
TIRES

Potential Number of Units Affected: 882

Problem Description:

Keystone RV Company (Keystone) is recalling certain 2018 Crossroads Sunset trailers. These trailers may have Sterling Sport tires that are rated for 1760 lbs. instead of tires that are rated for 2040 lbs. as intended.

Consequence:

The incorrect tires may be overloaded, possibly resulting in tire failure, increasing the risk of a crash.

Remedy:

Keystone will notify owners, and dealers will replace the tires with the correct load rated tires, free of charge. The recall is expected to begin March 30, 2018. Owners may contact Keystone customer service at 1-866-425-4369. Keystone's number for this recall is 18-313.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian".
