Dear Mr. Cox:

This letter serves to acknowledge Newmar Corporation's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. **Mfr's Report Date:** March 2, 2018

**NHTSA Campaign Number:** 18V-144

**Components:**

EXTERIOR LIGHTING:TAIL LIGHTS

**Potential Number of Units Affected:** 33

**Problem Description:**

Newmar Corporation (Newmar) is recalling certain 2018 Essex motorhomes. The taillights on these vehicles may loosen and detach from the vehicle while driving.

**Consequence:**

If the taillights detach, the driver will not be able to communicate his driving intentions, increasing the risk of a crash.

**Remedy:**

Newmar will notify owners, and dealers will secure the taillights with new hardware, free of charge. The recall is expected to begin May 1, 2018. Owners may contact Newmar customer service at 1-800-731-8300.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Newmar's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
