Subject: Fuel Pressure Sensor may Loosen and Leak

Dear Ms. Underwood:

This letter serves to acknowledge Nissan North America, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

NISSAN/JUKE/2011-2012

Mfr's Report Date: March 7, 2018

NHTSA Campaign Number: 18V-156

Components:

FUEL SYSTEM, GASOLINE

Potential Number of Units Affected: 49,385

Problem Description:

Nissan North America, Inc. (Nissan) is recalling certain 2011-2012 Nissan Juke vehicles previously remedied under recall 12V-069. During that recall remedy, the fuel pressure sensor may not have been properly tightened, potentially causing the sensor to loosen and leak fuel.

Consequence:

A fuel leak in the presence of an ignition source can increase the risk of a fire.

Remedy:

Nissan will notify owners, and dealers will tighten the fuel pressure sensor to the proper torque, free of charge. The recall is expected to begin May 7, 2018. Owners may contact Nissan customer service at 1-800-867-7669.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at (202) 366-7401, or by email at sarah.mcshane@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a large initial "J" and a long horizontal stroke at the end.
