**Subject:** Walk-In Seatbacks May Stay Unlatched

Dear Mr. Turley:

This letter serves to acknowledge Honda (American Honda Motor Co.)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

HONDA/ODYSSEY/2014-2016

**Mfr's Report Date:** March 13, 2018

**NHTSA Campaign Number:** 18V-170

**Components:**

SEATS:MID/REAR ASSEMBLY

**Potential Number of Units Affected:** 254,568

**Problem Description:**

Honda (American Honda Motor Co.) is recalling certain 2014-2016 Honda Odyssey vehicles. The second row outboard seats have a lever to fold the seatback and slide the seat forward to access the third row seats. Due to a manufacturing error, if the walk-in release lever is used to fold a fully reclined left outboard seatback forward, the seatback may stay in the unlocked position (free-folding) or unexpectedly unlock without engaging the walk-in or recliner lever.

**Consequence:**

An unlocked second row left outboard seatback increases the risk of injury to the seat occupant during a crash.

**Remedy:**

Honda will notify owners, and dealers will confirm proper operation of the second row left outboard seatback, and install a support bracket to the seat recliner. If the seatback cannot lock, dealers will replace the seatback frame assembly. These repairs will be performed free of charge. The recall is expected to begin April 30, 2018. Owners may contact Honda customer service at 1-888-234-2138. Honda's number for this recall is XOR.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Honda's proposed owner notification letter and it is currently under review. You will be notified of any changes or concerns once our review is complete.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Mcshane who may be reached by phone at (202) 366-7401, or by email at [sarah.mcshane@dot.gov](mailto:sarah.mcshane@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,
