**Subject:** Cooktop LP Hose Quick Disconnect Missing

Dear Mr. Becker:

This letter serves to acknowledge Forest River, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

COACHMEN/SPIRIT/2018-2019

**Mfr's Report Date:** April 19, 2018

**NHTSA Campaign Number:** 18V-249

**Components:**

EQUIPMENT:RECREATIONAL VEHICLE

**Potential Number of Units Affected:** 44

**Problem Description:**

Forest River, Inc. (Forest River) is recalling certain 2018-2019 Coachmen Spirit recreational trailers, models SBT2963BH and SBT2342BH. The outdoor cooktop may have been installed without an liquid propane (LP) quick disconnect.

**Consequence:**

If the cooktop does not have an LP hose quick disconnect feature and the cooktop is placed into the vehicle while still connected to the LP supply and with the LP hose in the ON position, users may be exposed to Carbon Monoxide. Additionally, the escaping propane gas may increase the risk of a fire.

**Remedy:**

Forest River will notify owners, and dealers will disconnect the LP supply line and relocate it with a quick disconnect LP fitting, free of charge. The recall is expected to begin June 15, 2018. Owners may contact Forest River customer service at 1-574-825-8205. Forest River's number for this recall is 220-0691.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

We have received Forest River's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at [michelle.rice@dot.gov](mailto:michelle.rice@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,

Jennifer Timian  
Chief, Recall Management Division  
Office of Defects Investigations
