**Potential Number of Units Affected:** 18,665

**Problem Description:**

Navistar, Inc. (Navistar) is recalling certain 2018-2019 International WorkStar, DuraStar, LoneStar, LT, ProStar, RH and IC Bus HC, 2018 International TranStar, 2019 International HV and MV trucks and transit buses. Navistar has notified owners, and dealers will replace the D-ring bolt depending on the information found on the seat belt label, free

of charge. The recall began May 23, 2018. Owners may contact Navistar customer service at 1-800-448-7825. Navistar's number for this recall is 18505.
