**Subject:** Cylinder or Camshaft Damage

Dear Ms. Shute:

This letter serves to acknowledge Chrysler (FCA US LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

**Makes/Models/Model Years:**

JEEP/CHEROKEE/2019

**Mfr's Report Date:** May 25, 2018

**NHTSA Campaign Number:** 18V-344

**Components:**

ENGINE AND ENGINE COOLING:ENGINE

**Potential Number of Units Affected:** 14

**Problem Description:**

Chrysler (FCA US LLC) is recalling certain 2019 Jeep Cherokee vehicles equipped with 2.0L engines. The engines in these vehicles may be missing valve stem keepers, which can allow the valve to drop into the engine cylinder causing engine damage. These engines may also have a reversed camshaft cap that can damage the camshaft bearing causing camshaft failure.

**Consequence:**

Cylinder damage or camshaft failure can cause the engine to stall, increasing the risk of a crash.

**Remedy:**

Chrysler will notify owners, and dealers will inspect and repair or replace the affected engine components, as necessary, free of charge. The recall is expected to begin July 14, 2018. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is U52.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Shiver who may be reached by phone at (202) 366-7401, or by email at [sarah.shiver@dot.gov](mailto:sarah.shiver@dot.gov) or through the office email at [rmd.odi@dot.gov](mailto:rmd.odi@dot.gov). We look forward to working with you.

Sincerely,
