Subject: Obstruction of View When put in Reverse/FMVSS 111

Dear Ms. Shute:

This letter serves to acknowledge Chrysler (FCA US LLC)'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

DODGE/JOURNEY/2018

Mfr's Report Date: June 14, 2018

NHTSA Campaign Number: 18V-396

Components:

VISIBILITY:REARVIEW MIRRORS/DEVICES

Potential Number of Units Affected: 1,741

Problem Description:

Chrysler (FCA US LLC) is recalling certain 2018 Dodge Journey vehicles. When reverse gear has been selected, the rear camera view may not be fully visible within two seconds. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 111, "Rearview Mirrors."

Consequence:

If the full camera view is delayed and the driver does not check their surroundings before backing up, there may be an increased risk of a crash.

Remedy:

Chrysler will notify owners, and dealers will replace the rearview mirror, free of charge. The recall is expected to begin August 3, 2018. Owners may contact Chrysler customer service at 1-800-853-1403. Chrysler's number for this recall is U58.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

You are required to submit a draft owner notification letter to this office no less than five days prior to mailing it to the customers. Also, copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Sarah Shiver who may be reached by phone at (202) 366-7401, or by email at sarah.shiver@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,
