**Mfr's Report Date:** July 5, 2018

**NHTSA Campaign Number:** 18V-450

**Components:**

WHEELS:RIM

**Potential Number of Units Affected:** 58

**Problem Description:**

Entegra Coach (Entegra) is recalling certain 2018-2019 Entegra Odyssey, Qwest, Aspire, Insignia, Anthem, and Cornerstone motorhomes. The Cargo Carrying Capacity (CCC) label incorrectly overstates the cargo capacity, potentially causing the vehicle to be overloaded. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 120, "Wheels and Rims - Other than Passenger Cars."

**Consequence:**

An overloaded vehicle has an increased risk of a crash.

**Remedy:**

Entegra will notify owners, and will provided a corrected CCC label, free of charge. The recall is expected to begin August 30, 2018. Owners may contact Entegra customer service at 1-800-517-9137. Entegra's number for this recall is 9903405.

**Notes:**

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to [www.safercar.gov](http://www.safercar.gov).

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

We have received Entegra's proposed owner notification letter and have approved it for distribution.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
