Subject: Frame Channel Cracking

Dear Mr. Hanten:

This letter serves to acknowledge Trail King Industries, Inc.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

TRAIL KING/DOLLY TRAILER/2016-2018

Mfr's Report Date: July 27, 2018

NHTSA Campaign Number: 18V-495

Components:

STRUCTURE:FRAME AND MEMBERS

Potential Number of Units Affected: 46

Problem Description:

Trail King Industries, Inc. (Trail King) is recalling certain 2016-2018 Trail King Dolly trailers. The dolly frame channel may crack near the center cross members.

Consequence:

If the frame channel cracks completely it can cause the frame rail to separate, increasing the risk of a crash.

Remedy:

Trail King has notified owners, and dealers will reinforce the frame channel to prevent cracking, free of charge. The recall began August 15, 2018. Owners may contact Trail King customer service at 1-800-843-3324. Trail King's number for this recall is TK201801.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

A handwritten signature in black ink, appearing to read "Jennifer Timian". The signature is fluid and cursive, with a long horizontal stroke at the end.
