Subject: Dump Trailer Hinge Weld Fracture

Dear Ms. Ikola:

This letter serves to acknowledge Fabform Industries, INC.'s notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:

FABFORM/POWER TILT DUMP TRAILER/2017-2018

Mfr's Report Date: September 5, 2018

NHTSA Campaign Number: 18V-590

Components:

STRUCTURE

Potential Number of Units Affected: 118

Problem Description:

Fabform Industries, Inc. (Fabform) is recalling certain 2017-2018 Fabform Power Tilt dump trailers. The hinges welded on the bottom frame may fracture and the dump box may unexpectedly fall.

Consequence:

If the dump box falls unexpectedly, it can increase the risk of injury or death.

Remedy:

Fabform will notify owners, and dealers will install gussets with reinforced welds to the existing hinges, free of charge. The recall began on September 13, 2018. Owners may contact Fabform customer service at 1-541-679-2920.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

The information in your report suggests that Fabform may have been aware of this issue more than five business days before filing a report with NHTSA. Please be reminded that under Federal law, this agency is to be notified of all safety defect and/or noncompliance decisions within five business days. 49 CFR 573.6

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.

Your contact for this recall will be Michelle Rice who may be reached by phone at (202) 366-1060, or by email at michelle.rice@dot.gov or through the office email at rmd.odi@dot.gov. We look forward to working with you.

Sincerely,

Jennifer Timian
