Subject: Improperly Tightened Brake Adjuster Anchor Pins

Dear Mr. Brown:

This letter serves to acknowledge Great Dane Trailers's notification to the National Highway Traffic Safety Administration (NHTSA) of a safety recall which will be conducted pursuant to Federal law for the product(s) listed below. Please review the following information to ensure that it conforms to your records as this information is being made available to the public. If the information does not agree with your records, please contact us immediately to discuss your concerns.

Makes/Models/Model Years:
GREAT DANE/EVEREST/2019

Mfr's Report Date: October 5, 2018

NHTSA Campaign Number: 18V-700

Components:
SERVICE BRAKES

Potential Number of Units Affected: 197

Problem Description:

Great Dane Trailers (Great Dane) is recalling certain 2019 Great Dane Everest CL Multi-Temp trailers equipped with Haldex automatic brake adjusters. During manufacturing, the adjuster anchor pins may not have been properly tightened, causing the pins to loosen or detach.

Consequence:

A detached anchor pin would cause the automatic brake adjusters to not properly adjust the brakes to compensate for brake pad wear. If not corrected, this could lead to reduced braking ability or loss of brakes, increasing the risk of a crash. Loose anchor pins could cause the automatic brake adjuster to jam, keeping it from returning to its rest position which may cause the brakes to drag, increasing the risk of a fire.

Remedy:

Great Dane will notify owners, and dealers will inspect the anchor pin mounting bolts for the proper tightness, replacing any pins that are missing, free of charge. The manufacturer has not yet provided a notification schedule. Owners may contact Great Dane customer service at 1-877-369-3493.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Your company's plan may incorporate by reference a general reimbursement plan it previously submitted to NHTSA, together with information specific to the individual recall. Information required by § 573.13 that is not in a general reimbursement plan shall be submitted in your company's report to NHTSA under this section.
