Potential Number of Units Affected: 92

Problem Description:

Grand Design RV, LLC (Grand Design) is recalling certain 2019 Grand Design Reflection travel trailers, models 285BHST, 287RLTS and 297RSTS. The wires to the 50 amp mini-breaker may be installed incorrectly, leaving the circuit unprotected.

If the unprotected circuit overheats or experiences a short, it can increase the risk of a fire.

The recall is expected to begin November 12, 2018. Owners may contact Grand Design customer service at 1-574-825-9679. Grand Design's number for this recall is 910016.

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

Please be reminded that under 49 U.S.C. § 30112(a)(3), it is illegal for a manufacturer, to sell, offer for sale, import, or introduce or deliver into interstate commerce, a motor vehicle or item of motor vehicle equipment that contains a safety defect once the manufacturer has notified NHTSA about that safety defect. This prohibition does not apply once the motor vehicle or motor vehicle equipment has been remedied according to the manufacturer's instructions.

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
