SEAGRAVE/MARAUDER II/2017-2018

Mfr's Report Date: December 19, 2018

NHTSA Campaign Number: 18V-897

Components:

EXTERIOR LIGHTING: BRAKE LIGHTS

Potential Number of Units Affected: 87

Problem Description:

Seagrave Fire Apparatus, LLC (Seagrave) is recalling certain 2017-2018 Marauder and Capital emergency vehicles, equipped with Whelen accessory brake lights. Depending on the specific wiring of the vehicle, the brake lights may falsely illuminate even without the brake pedal being pressed. As such, these vehicles fail to comply with the requirements of Federal Motor Vehicle Safety Standard (FMVSS) number 108, "Lamps, Reflective Devices, and Associated Equipment."

Consequence:

If the brake light falsely illuminates, other drivers could become confused, increasing the risk of a crash.

Remedy:

Seagrave will notify owners, and dealers will replace the brake lights, free of charge. The recall is expected to begin in February 2019. Owners may contact Seagrave customer service at 715-823-2141.

Notes:

Owners may also contact the National Highway Traffic Safety Administration Vehicle Safety Hotline at 1-888-327-4236 (TTY 1-800-424-9153), or go to www.safercar.gov.

Under 49 U.S.C. § 30112(a), it is illegal for anyone, including a manufacturer, distributor, dealer, or retailer to sell an item of equipment or vehicle that fails to comply with all applicable Federal motor vehicle safety standards.

Please be reminded of the following requirements:

Copies of all notices, bulletins, dealer notifications, and other communications that relate to this recall, including a copy of the final owner notification letter and any subsequent owner follow-up notification letter(s), are required to be submitted to this office no later than 5 days after they are originally sent (if they are sent to more than one manufacturer, distributor, dealer, or purchaser/owner).

As stated in Part 573.7, submission of the first of six consecutive quarterly status reports is required within one month after the close of the calendar quarter in which notification to purchasers occurs. Therefore, the first quarterly report will be due on, or before, 30 days after the close of the calendar quarter.
