## **Description of Noncompliance :**

Description of the Noncompliance :	The Part 567 certification label on the affected vehicles lists an incorrect rear wheel rim size.
FMVSS 1 : FMVSS 2 :	110 - Tire selection and rims
F1VI V 55 2 .	INK
Description of the Safety Risk :	The incorrect rim size information on the label can cause the operator to replace the rim with an incorrect rim size, increasing the risk of a crash.
Description of the Cause :	Due to a production oversight, an incorrect rim size was entered into the label printing system.
	An 18" tire cannot properly be mounted onto a 17" rim. Further, the actual rims and tires provided with the vehicle and described in the owner's manual are 18".
