Chronology :

During the investigation of a non-related non-compliance recall, it was discovered that the vehicle did not have a certification label as required by 49 CFR Section 567.4. This issue was discussed with the Review Board on 12/18/2018, who escalated this to the PCM Group. The PCM Group met on 12/20/2018 and decided to escalate this as a recall candidate. Senior Management approved the recall on 12/21/2018.

Description of Remedy :

Description of Remedy Program : The non-compliance will be remedied by replacing the subject vehicle with a fully compliant vehicle, including an affixed certification label in the required location indicating compliance with FMVSS requirements and providing the information required by Part 567. This will be done free of charge to purchasers and owners. To the best of our knowledge, no owners have incurred any costs resulting from this non-compliance.

How Remedy Component Differs from Recalled Component : Not applicable.

Identify How/When Recall Condition was Corrected in Production : Before production resumes, a label compliant to Part 567 will be added to the Bill Of Materials and the Assembly Instructions.

Recall Schedule :

Description of Recall Schedule : Arcimoto has retrieved all vehicles subject to this recall. All vehicles are currently under Arcimoto control and will not be returned to their owners or used on public roads until all recalls have been completed by Arcimoto.
