Object: Brake pads defect / Communication to clients – installers
SAFETY RECALL NOTICE

Dear 

We make reference to our safety recall notice dated 20/07/2018 (“Pads_Recall_Notice_2018_07_20_Race_Technologies” or “Notice”) through which we communicated you that Brembo S.p.A. (“Brembo”) was become aware of two occurrences of potential friction material detachment from brake pads manufactured by Federal Mogul Italia S.r.l. (supplier batch #672, “FMI Batch #672”; Part No.: 07.6949.10) for Brembo.

The further quality checks undertaken by Brembo during the last weeks revealed that the potential material detachment from brake pads manufactured by Federal Mogul Italia S.r.l. could impact also the other products Part No below identified:

Product Code	Q.TY	Delivery Note Date	Delivery Note Number
120A44144	1	180111	18018V005K00012
120A44140	1	180511	18018V005K00294

To this extent, we kindly ask you:

- a) to undertake also for the Part No. listed in this letter the activities already described in the Notice; and
- b) to comply with all the other provision and instruction mentioned in such Notice.

Please direct communications about this issue to your Brembo Area Manager, who will be available to provide you with any further necessary information.

Kind regards,

Brembo S.p.A.

BREMBO S.p.A.
