NOTE: this bulletin updates previous Takata Airbag Incentive programs.

DESCRIPTION OF PROGRAM

As part of Jaguar Land Rover North America's ongoing commitment in repairing all vehicles affected by Safety Recalls J069, J070, J071, and J072 (Jaguar XF) and P081, P082, P083, and P084 (Land Rover Range Rover), *Takata Passenger Airbag*, a customer incentive program has been implemented. Owners of certain affected vehicles in these recalls who have not yet had their vehicle's passenger airbag module replaced will be eligible for a service voucher up to the value of \$500.00 to spend at the retailer.

This action will enhance recall completion. Please ensure your Service department has a plan in place to capitalize on this program.

Owners of vehicles not yet repaired in the Takata Recall may also be eligible for loaner car incentives under programs T003 (Jaguar) and T004 (Land Rover)

CUSTOMER INCENTIVE INFORMATION

- The service voucher supplied to the customer has a value of up to \$500.00 which may be applied towards the purchase of a combination of service labor, maintenance, approved Jaguar Land Rover repair parts, accessories, and merchandise.
- Only one claim may be made per VIN and it may not be combined with any other monetary voucher program. Any remaining value after the first claim shall be null and void.
- Owners of vehicles not yet repaired in the Takata recall may also be eligible for other incentives (loaner vehicle) or additional recalls. Please check the Jaguar Land Rover claims submission system/DDW to make sure that the vehicle is eligible for any additional incentive program. If eligible, make sure to perform these at the same time.
- The open Takata Recall *must* be performed *before* a service voucher can be used. We encourage retailers to conduct a Multi-Point Inspection (MPI) during the Recall visit, present any required maintenance or repair work to the customer, and remind them these funds are available. Service vouchers should ideally be used during the same visit as for the Recall to maximize customer convenience.
- The owner notification letter, which will be sent on behalf of their local retailer, advises that customers may use the service voucher in conjunction with Takata recall repairs performed on or before March 31, 2020.

- Customers may redeem the service voucher up to 21 days from the date their vehicle's passenger airbag module is replaced.
- Service vouchers can only be redeemed by the owner of an eligible vehicle subject to the Takata Recall.
- Retailer-owned vehicles eligible for the Recall are *not eligible* for the incentive vouchers.
- Service vouchers must be used on one repair order and/or parts counter ticket. The owner **cannot** be paid cash in exchange and there is no cash-value return if the total cost of purchase is less than \$500.00.
