

GLOBAL SAFETY FIELD INVESTIGATIONS
DCS4679
URGENT - DISTRIBUTE IMMEDIATELY

Date: February 26, 2018

Subject: 17476 - Safety Recall
Front Passenger Air Bag Inflator

Models: 2009-2010 Pontiac Vibe
Not Previously Recalled For this Condition

To: All General Motors Dealers

General Motors is releasing Safety Recall 17476 today. The total number of U.S. vehicles involved is approximately 21,398. Please see the attached bulletin for details.

On January 23, 2018, all GM dealers were notified, via GM GlobalConnect Message #GCUS-3-1137, that until further instructions were received, all 2009-2010 model year Pontiac Vibes that were in dealers' possession must be held and not delivered to customers, dealer-traded, released to auction, used for demonstration purposes or any other dealer use.

Please be advised that once the service procedure contained in the attached bulletin has been performed on an involved vehicle, the vehicle is no longer restricted as described above.

Customer Letter Mailing

The customer letter mailing will begin on March 2, 2018.

Global Warranty Management (GWM)

The Investigate Vehicle History (IVH) screen in the GWM system will be updated February 26, 2018. Please hold all warranty transactions until IVH has been updated.
