Dear «Dealer_name»,

Keystone RV Company has decided that a defect which relates to motor vehicle safety exists in certain model 2018 Crossroads Sunset Travel Trailers. As a result, Keystone RV is conducting a safety recall.

***Reason for
this recall***

It has been decided the vehicles in this recall population may have been manufactured with Sterling Sport tires provided by Lionshead Specialty Tire and Wheel (Lionshead) rated for 1760 lbs. instead of tires rated for 2040 lbs. These insufficient load range tires were inadvertently mixed in with the correct load range tires by Lionshead. An overloaded tire leads to an increased risk of tire failure, property damage and/or vehicle crash. The vehicles included in the recall are:
