

Re: NHTSA Recall 18V-145

To All Morgan Dealers and Authorized Repair Centers:

This notice is to advise you that Morgan Truck Body, LLC (Morgan) has decided that a defect that related to motor vehicle safety exists in your vehicle with the VIN stated above.

What is the Concern:

Morgan has identified an issue with the Electrical Foreign to Domestic Converter Harnesses manufactured by Grote and installed on certain Morgan truck bodies mounted on Isuzu, Chevrolet, Freightliner, GMC, Kenworth, Mercedes, Mitsubishi and Peterbilt chassis. Some of these converter harnesses have experienced a failure due to water ingress. The water ingress may cause the rear turn signals to malfunction in several different ways including becoming inoperable, bleed through of low intensity light to the rear tail/tum signal lamp, or other turn signal or 4-way flasher malfunctions. If the rear turn signals malfunction, this could increase the risk of a crash.

What is the Affected Component?

Grote Industries Electrical Foreign to Domestic Converter Harness and Hopkins Electronic taillight converter [Morgan Part# 0410197 -OR- Morgan Part# 0410195].

What Should You Do?

The vehicle(s) listed on the attachment have been identified as vehicle(s) that include the aforementioned converter harnesses and module. If a vehicle owner requests repair, please have them contact their local Morgan Authorized Repair Center to make an appointment to the vehicle retrofitted at no cost. Customers have been notified of the recall beginning the week of March 20, 2018.

Depending upon the part installed in the customer's unit, there are two different repair instructions. See the related Field Repair Work Instruction for detailed repair instructions related to this issue and instructions for reimbursement.

For part # 04101971, parts are currently available for this recall. Please contact Morgan at [MorganCampaign@morgancorp.com](mailto:MorganCampaign@morgancorp.com) to request replacement parts.

Notice Pursuant to Federal Law:

Please note, it is a violation of Federal Law for a dealer to deliver a new motor vehicle or any new or used item of motor vehicle equipment (including a tire) covered by the notification under a sale or lease until the defect or noncompliance is remedied. 49 C.F.R. § 577.13.
