

SAFETY RECALL NOTICE STOP SALE COMMUNICATION

Date: May 31, 2018

To: All U.S. Maserati Dealers
Subject: Safety Recall 369 – MY 2018 Maserati Quattroporte vehicles, , MY2018 Maserati Ghibli vehicles, and MY 2018 Maserati Levante Vehicles.

Effective immediately, the vehicles listed in the attachment must not be delivered to customers. The subject vehicles are included in a safety recall related to a potential front sub frame defect. The affected vehicles may have incomplete welds of the front sub frame.

In certain circumstances, complete welds near the incomplete welds may break. If the incomplete welds cause broken welds, in some cases the operators' control of vehicles could be diminished. This condition can cause a vehicle crash without prior warning..

Vehicles in the recall will require an underbody inspection to verify the sub frame welds are complete. If an incomplete weld is found, replacement of the sub frame will be required. Maserati intends to notify owners on or before 07/08/2018 to schedule appointments to have their vehicles fixed.

The remedy for this condition is currently available. Dealers will be notified of the launch of this safety recall by way of established communication methods. This recall is estimated to launch in June 2018.

Please be reminded that it is a violation of Federal law for you to deliver a new motor vehicle covered by this notification under a sale or lease until the defect is remedied. Violation of this requirement by could result in a civil penalty of up to \$21,000 per vehicle. You must correct all vehicles in your new vehicle inventory before delivery.

Thank you very much for your support.
