

IMPORTANT SAFETY RECALL

**Safety Recall: 18V-362 2018-352
July 2018**

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Starcraft has decided that a defect, which relates to motor vehicle safety exits in certain 2019 Telluride fifth wheels.

Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership. The Recall Remedy must be completed on this unit prior to delivery to Consumer.

Serial number

***Reason for
this recall***

The strap that secures the liquid propane (LP) gas bottle may separate from its buckle and no longer secure the propane tank. An unsecured propane tank could detach from the trailer and increase the risk of a crash or leak propane and increase the risk of a fire.

***Recall
Remedy***

Replace the original securing strap with a strap that has the correct crimping at the buckle. Return 2" section of strap with buckle to Dexter in envelope included in parts kit.

***All pertinent information regarding this recall is available under the Service and Parts Tab of our Website.
If you require further assistance, please contact Customer Service at 800-945-4787.***

***What we
need you to
do***

Federal Law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately and advise of the recall, and register the unit by submitting the Warranty Registration Information.

We certainly regret this inconvenience; however, our Customer's safety is our most important priority.

Sincerely,
Starcraft
