

U50 Safety Recall on the 2017/18 Pacifica - Manual Park Release - Parts Allocation Update

By Mopar on Thursday, August 09, 2018

U50 SAFETY RECALL 2017 -18 PACIFICA MANUAL PARK RELEASE (MPR) PARTS ORDERING UPDATES

The parts supply status for the U50 Safety Recall (RU) Manual Park Release has been updated. Mopar initially allocated parts to dealers to support the launch of the campaign. Now to better assist business needs the following order processes have been put in place.

U50 SAFETY RECALL PART NUMBERS

PN: 6EL33DX9AB (Black)

Removed from group size restriction, and placed on VIN specific ordering

PN: 6EL33PD2AB (Tan)

Removed from group size restriction, and placed on a blanket 14 in 7 day order.

Reminder for VIN specific ordering, the repair order (RO) field is reference only and the RO is not used in further downstream processing.

FCA appreciates your support in this campaign!
