## **IMPORTANT U56/ U58 SAFETY RECALL - PART AVAILABILITY**

**REAR VIEW MIRROR (2018 DODGE JOURNEY/RAM 1500, 2500, & 3500 10K LB. CHASSIS CAB)**

---

### **UPDATE ON REAR VIEW MIRRORS**

Mopar would like to inform you of important part ordering information regarding the U56/ U58 Safety recall that impacts certain (2018 Dodge Journey/ Ram 1500, 2500, & 3500 10k lb. Chassis Cab) vehicles. These vehicles may experience a loss of rearview image display or field of view could be compromised. Dealer instructions will be available on 7/26/2018 and owner letters will be mailed week of 8/2/2018.

**Part Availability:** Both U56 and U58 campaign remedies require the same part Number (PN:CSAJU561AA). Mopar Supply Chain will provide dealers an initial allocation of parts based on dealers assigned VIN count. The initial parts allocation will arrive to dealers this week.

Beginning 7/26/18, Parts will be available for Dealer ordering (VIN specific ordering only). Reminder for VIN specific ordering, the repair order (RO) field is reference only and the RO is not used in further downstream processing.

**Thank you for your support!**
