

SAFETY RECALL # 18V-399

To: All Grand Design RV Dealers

July 16, 2018

Grand Design RV has decided that a safety defect exists in certain 2018-2019 Solitude Fifth-Wheel vehicles. Accordingly, a recall to address this issue is being initiated effective July 16, 2018.

The defect involves **Solitude Fifth-Wheel Trailers** manufactured between **October 26, 2017 and May 25, 2018 with the optional outside pullout kitchen**. VIN range of affected units is **573FS432XJ1110101 through 573FS422XK1112403 (non-sequential)**.

On affected vehicles, the LP gas supply line to the grill may have excessive slack and "coil" under the grill as the kitchen assembly is extended & retracted. As a result, the LP gas supply line could potentially contact the underside of the grill. If contact were to occur when the grill is in use, the potential exists for heat damage to the LP supply line that could result in a LP gas leak and potential fire. Repair involves rerouting the LP gas supply line along the back of the grill housing and installing additional attachment points. The parts required to perform this repair are in stock and available for immediate shipment.

Owners of affected vehicles will be notified of this recall by mail from Grand Design RV. A copy of the Owner Notification Letter is attached for your reference. Also attached is a list of your retail sold and stock units affected by this recall. Finally, please find attached the repair and claim filing instructions associated with this recall action.

Please be reminded that it is a violation of Federal Law for you to sell or lease the products covered by this notification until repair under this recall has been performed. Substantial civil penalties apply to violations of this law. Your assistance with this recall is appreciated. Should you have any questions or concerns, please contact Grand Design Customer Service at 574-825-9679 or 888-825-2820.

Respectfully,
GRAND DESIGN RV, LLC
