

## **IMPORTANT SAFETY RECALL**

### **STOP RETAIL SALES and DELIVERY**

Suzuki Motor Corporation has determined that a safety defect exists in the following models:

Model	Starting VIN	Ending VIN
DR-Z400SL8	JS1SK43A9J2100242	JS1SK43A4J2100312
DR-Z400SML8	JS1SK44A1J2100430	JS1SK44A4J2100549

Suzuki Motor Corporation is initiating a safety recall campaign to replace the rear brake stop lamp switch. During the manufacturing process, the resin used to fill the stop lamp switch may have adhered to the internal contacts, resulting in poor conductivity and preventing the stop lamp from illuminating when only the rear brake is applied. To ensure customer safety and satisfaction, dealers will replace the stop lamp switch.
