

## IMPORTANT SAFETY RECALL

**Safety Recall: 18V-450 2018-364  
August 2018**

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Entegra has decided that certain Model Year 2018-2019 Cornerstone, Insignia, Vision, Aspire and Anthem and Odyssey, Qwest, motorhomes fail to conform to the requirements of Federal Motor Vehicle Safety Standard No. 120, "Tire selection and rims and motor home/recreation vehicle trailer load carrying capacity information for motor vehicles with a GVWR more than 4,536 kilograms (10,000 pounds)".

Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership. The Recall Remedy must be completed on this unit prior to delivery to Consumer.

### Serial number

***Reason for  
this recall***

The original Cargo Carrying Capacity (CCC) Label notes incorrect information. The scale was not in working order when calculating weight information for the label. Incorrect weight information may allow the motorhome to be overloaded, affecting vehicle handling, which could increase the risk of a crash causing injury and/or property damage.

***Recall  
Remedy***

Replace the original CCC label and, when applicable, the CSA weight label, with the label/s included with this notification.

***All pertinent information regarding this recall is available under the Service and Parts Tab of our Website.  
If you require further assistance, please Contact Entegra Customer Service at 800-517-9137.***

***What we  
need you to  
do***

**Federal Law** requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately and advise of the recall, and register the unit by submitting the Warranty Registration Information.

We certainly regret this inconvenience; however, our Customer's safety is our most important priority.

Sincerely,  
Entegra Coach
