

IMPORTANT SAFETY RECALL

**Safety Recall: 18V-618 2018-514
October 2018**

Dear Valued Dealer:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act.

Jayco has decided that a defect, which relates to motor vehicle safety exits in certain 2019 White Hawk, Jay Flight and Jay Flight SLX travel trailers.

***Reason for
this recall***

The Dexter axle may be missing the inner bearing race on the hubs. A missing race could cause increased friction allowing the hub to overheat, which could lead to premature failure, possibly resulting in a separation of the hub from the axle, increasing the risk of a crash

***Recall
Remedy***

Inspect the axle assembly for the correct specifications of the hub-drum and backing plate. If not to Dexter specifications, the axle must be replaced.

All pertinent information regarding this recall is available under the Service and Parts Tab of our Website. If you need further assistance, please Contact Customer Service at 800-283-8267.

Our records show the following unit is affected by this recall and is currently part of the inventory at your Dealership.

Serial number listing

***What we
need you to
do***

Federal law requires that all units in your inventory be repaired prior to delivery to a customer. If you have sold a unit recently that you have received a stock recall notice on, please contact the owner immediately to advise of the recall. In addition, please register the unit by submitting the Warranty Registration information.

We certainly regret this inconvenience; however, our Customer's safety is our most important priority.

Sincerely,
Jayco Towables
