Re: Changes in Service Bulletin 18-092/093 Safety Recall Rear Backup Camera

Print this iN message and provide a copy to the Shop Foreman and all Service Advisors.

Dear Service Manager,

Recently, a few changes were made in repair procedure on Safety Recall Backup Camera (SB 18-092 and 18-093). Please discard any old versions of the Service Bulletins and replace with the revised versions, dated October 27, 2018.

Thank you.
