IMPORTANT SAFETY RECALL

Livin' Lite

**NHTSA Recall Number 18V-643
Transport Canada Recall Number 2018-522**

Date: September 14, 2018

TO: Livin' Lite Dealer

Problem

The vehicles subject to this recall were built with drawbars that could crack. If not repaired the drawbar may separate from the trailer and could result in a crash, property damage and personal injury.

RANGE OF VEHICLES INVOLVED:

- 2017-2019 CampLite 21BHS, 21RBS, 23RKS and 23RLS

WARRANTY REIMBURSEMENT:

A notice of this recall has been sent to affected retail owners. A copy of the Owner's letter is included for your review. They may request that you complete the repair. If so, please follow the warranty reimbursement procedure. If the unit and/or units are in your inventory, or if you are requested to perform the repair for the retail customer, please complete the advised repair and send in a warranty claim referencing this recall number for reimbursement. The time allowed for repair is 3-1/2 hours.

SERVICE ACTION:

The remedy is to inspect the suspect welds, repair if necessary and add an additional tube to reinforce the drawbar. If the spare tire is located in this area, it will be moved and mounted to the rear bumper.
