What's New Abstract	Cummins Safety Campaign C2062 - Cummins Recalls ISX15 and X15 CM2350 Engines
Supplier	Cummins
Description	Cummins Safety Campaign C2062 - Cummins is recalling certain ISX15 and X15 engines manufactured between December 1, 2015 and July 24, 2018.
Release Date	
Introduction	Kenworth Truck Company has been notified of an Engine Recall issued by Cummins. Kenworth chassis manufactured from January 25, 2016 through August 10, 2018 with ISX15 and X15 engines manufactured between December 1, 2015 and July 24, 2018 may be affected by this recall.
Situation	
Resolution	Cummins is conducting this recall. See the attached Cummins recall C2062 notification. Contact your local Cummins Certified Repair Facility for remedy and reimbursement. Customers or repair locations with questions may contact Cummins Care at 1-800-CUMMINS (1-800-286-6467).
It is a violation of Federal law for a dealer to sell or lease new vehicles covered by this recall until the defect or noncompliance has been corrected.	

Warranty	Refer to the attached Cummins recall notification. Contact your local Cummins Certified Repair Facility for remedy and reimbursement.
