To: All General Motors Dealers

General Motors is releasing Noncompliance Recall 18315-01 today. This bulletin has been revised to include the rear seatbelt retractor replacement in the service procedure section. The customer notification letter has also been added. Please discard all copies of 18315.

Vehicles involved in this recall were placed on stop delivery with a pass or fail functional inspection procedure on September 26, 2018. Once the service procedure contained in the revised bulletin has been performed on the vehicles that did not pass the functional inspection, the vehicle is released from stop delivery and the vehicle can be delivered to the customer.

**Customer Letter Mailing**

The customer letter mailing will begin on November 8, 2018.

**Global Warranty Management (GWM)**

The Investigate Vehicle History (IVH) screen in the GWM system was updated on September 26, 2018. A list of involved vehicles in dealer new inventory is **now** attached to this message.
