Guaranteed Trade-in Program Update related to the Valve Spring Recall (WTY-84):

Models affected:

- 2012-2013 Impreza
- 2013 Crosstrek
- 2013 BRZ

Program Change: Retailers have the option to conduct the recall repair prior to selling the vehicle to SOA or immediately selling the vehicle to SOA without the recall repair being completed.

If a GTP vehicle impacted by the above recall is traded in, note the following change to the GTP program:

The Retailer has 45 days to submit the completed package documentation to GTP headquarters.

Note: These changes to the GTP program apply only to vehicles impacted by the WTY-84 Recall. All other GTP program rules remain in effect and unchanged.

If you have any questions regarding GTP, please contact your District Sales Manager, Zone/Distributor office or call GTP HQ at 1-888-228-3181 option 1.
