

GLOBAL SAFETY FIELD INVESTIGATIONS
DCS5471
URGENT - DISTRIBUTE IMMEDIATELY

Date: August 7, 2020

Subject: 14491I, 14735H, 15406H, 15815-07, 15816-07, 17478-03, 18015-03 –
Safety Recall
Front Passenger Air Bag Inflator Module
Revised Parts, Warranty, Service Procedure sections

Models: 2005-2008 Pontiac Vibe

To: All General Motors Dealers

These bulletins have been revised to provide warning information to ensure correct airbag installation, new part number information, updated repair labor code, and WCAP reimbursement. Please discard all copies of prior bulletins.

Global Warranty Management (GWM)

All affected VINs will appear as an Open status in the Required Field Action section on the Investigate Vehicle History (IVH) screen on or before August 8, 2020. Please hold all warranty transactions until IVH has been updated.
