Subject: Stop Remedy for 2005-2008 Pontiac Vibes Under Takata Recalls

Models: 2005-2008 Pontiac Vibe

To: All General Motors Dealers

Toyota Motor North America has provided General Motors a stop sale notice for part number 84103467. This part is included in kit 19355534 to remedy 2005-2008 Pontiac Vibes under the following recalls:

- 14491
- 14735
- 15406
- 15816
- 15815
- 17478
- 18015

Toyota has advised that dealers should NOT use current inventory of this part number until further notice and that additional information will be provided within one week. ALL other part numbers used in the Takata recalls are NOT affected. Please educate your staff on the overall parts situation, and please continue to make appointments and remedy vehicles involved in the Takata recalls that do NOT require this part number.
