RE: Safety Recall P084: Takata Passenger Airbags

Vehicle Affected: Range Rover
Model Year: 2010-2012

National Highway Traffic Safety Administration Recall Number: 18V-012

Dear Range Rover Owner:

This notice is sent to you in accordance with the National Traffic and Motor Vehicle Safety Act. Land Rover has decided that a defect relating to motor vehicle safety exists in certain 2010-2012 model year Range Rover vehicles.

Your vehicle is included in this Safety Recall.

You should have received a previous letter dated February 28, 2018, advising you that we were in the process of obtaining the necessary components to repair your vehicle. At this time, those components are available.

What is the concern?

Due to prolonged exposure to combined high heat and humidity, the front passenger airbag module inflator housing may explode and deploy abnormally in the event of a crash necessitating deployment of the front passenger airbag. In such event, a front passenger airbag module inflator housing explosion could result in sharp metal fragments striking the passenger or other occupants, resulting in serious injury or death.

Please take note of the following important points pertaining to this ***Urgent Safety Recall***:

- The Takata front passenger airbag installed in your vehicle is defective and could cause INJURY or DEATH
- The required parts to repair your vehicle are readily available
- This Recall repair is completely ***free of charge*** to you
- Make an appointment with an authorized Jaguar retailer of your choice **NOW** to have your vehicle repaired

What will Land Rover and your authorized Land Rover Retailer do?

Land Rover is carrying out a Safety Recall of the vehicles mentioned above. An authorized Land Rover retailer will replace the front passenger airbag module in your vehicle.

This Recall will be carried out completely free of charge and may be performed by any authorized Land Rover retailer regardless of where the vehicle was purchased.

What should you do?

Contact your preferred authorized Land Rover retailer and provide the retailer with your Vehicle Identification Number (VIN) and request a service date to complete the work required under Program Code 'P084'. You can locate an authorized Land Rover retailer using the "RETAILERS" function on LANDROVERUSA.com or you can use the contact information below.

How long will it take?

The work will be carried out as quickly and efficiently as possible in order to minimize inconvenience to customers and is expected to take approximately two (2) hours, although your retailer may need your vehicle for a longer time. Your retailer can provide you with a better estimate of the overall time for the service visit.

Attention Leasing Agencies: Federal regulations require that you forward this recall notification to the lessee within TEN (10) days.

Moved or no longer own this Land Rover vehicle?

If you are no longer the owner of this vehicle, Land Rover would appreciate the name and address of the new owner (if known); please fill out and return the enclosed return postage-paid card.
